

NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed below in **BOLD ITALICS**) and have a cumulative grade-point ratio of 2.0 or better before being admitted into the Accounting major. Registration for nearly all 300- and all 400-level business courses is restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Accounting as their major as soon as possible.
