

NOTE: Advising worksheets are supplemental planning aids. Every effort is made to ensure accuracy; however, it is the student's responsibility to understand and meet degree requirements as stated in the applicable Undergraduate Announcements. Pre-Business is not a degree-granting program. All Pre-Business students must complete the Pre-Business freshman core (core courses listed in ***BOLD ITALICS***) and have a cumulative grade-point ratio of 2.0 or better before being admitted into the Economics major. Registration for many 300- and all 400-level business courses is restricted to students in their degree major, so students should endeavor to complete the core requirements and declare Economics as their major as soon as possible.

¹ All students are required to take the Clemson Math Placement Test (CMPT) prior to registering for their first math course at Clemson. To take the test, go to <http://www.clemson.edu/mthsc/CMPT/> and follow the instructions. Acceptable math sequences include: MTHSC 102/207, MTHSC 106/108 or MTHSC 106/207. If a student elects to take MTHSC106 or 108, one credit-hour will be applied toward the elective hour requirement. **See advisor for information on course selection.**

² See Business School College Advising Center list of approved courses. Note: Students must complete the General Education Cross-Cultural Awareness (CCA) requirement. This requirement may be fulfilled by "double-dipping" with the business International or Non-Literature requirement. See the 2009-10 Undergraduate Announcements (p.34) for additional ways to satisfy the CCA requirement.

³ Elective hours may be used for courses not required by General Education or your major curriculum and may be taken in any combination or at any time during your college career.

⁴ See General Education requirements (p.34 in Undergraduate Announcements). This requirement may be satisfied by other courses in the curriculum. In this case, elective hours will be used.

⁵ Students who complete a minor in Financial Management must complete three hours of electives to replace credit received for the FIN 306 requirement in the Economics major.

⁶ Three credit hours must be selected from ECON 344, 350, 360, 402, 404, 410, 424, 426, 435, 455. Note: Only ECON courses numbered 316 and above may be used to satisfy the major requirement.

⁷ Economics majors may choose, in consultation with their departmental advisors, any University-approved minor (see p. 85 Undergraduate Announcements).
